EXPERIENCE:

Project Manager, Creative Development, 2008

TM - Electronic Arts, Redwood City, CA

- Managed the complete production of game packaging within the EA SPORTS label, including the company's flagship title, *Madden NFL 09*
- Directed graphic design, production, and pre-press teams in the creation of packaging materials, while ensuring the visual consistency of branding guidelines

Production Designer, 2007-2008

Aquent, LLC., San Francisco, CA

- Assisted in the final production of various marketing and sales projects for retail clients, such as Williams Sonoma, Pottery Barn, and Cost Plus

Creative Services Project Administrator, 2006-2007

Eidos Interactive, Inc., San Francisco, CA

- Managed the flow of all creative services projects through every stage of the creative process to final production by maintaining project schedules, job routing, and trafficking assets from PMs/Producers to internal/external creative teams
- Managed the workflow of internal design team and external vendors, such as design agencies, freelancers, printers, and service bureaus

Freelance Graphic Designer, 2002-2006

Konami Digital Entertainment, Inc., Redwood City, CA

VIZ Media, LLC, San Francisco, CA

Sega of America, Inc., San Francisco, CA

- Designed and created complete game/DVD packaging, manual layouts, logos, and print ads for high-profile Game Boy Advance, PlayStation 2, Xbox 360, and PC titles, such as *Yu-Gi-Oh!*, *Bomberman*, *Full Auto*, and *Pokémon*
- Rebuilt key art for large-scale event signage and localization of packaging
- Created marketing collateral for retail promotions and sales distribution
- Performed Graphic Design services in-house and off-site as a vendor

Graphic Artist, Marketing, 2001-2002

Working Designs, Inc., Redding, CA

- Produced professional graphics and logos for magazine ads, game extras, posters, POP, game manual, and the strategy guide for *Arc the Lad Collection*
- Performed various tasks, such as screen capture, video editing, game testing, customer service, ESRB submissions, and game help
